Re: *United States v. Gzimi Bojkovic*, 18-CR-00767 (VM-2)

Dear Judge Marrero:

I represent Gzimi Bojkovic in the above-referenced case, and I am writing to respectfully request that the Court adjourn the sentencing hearing, currently scheduled for September 18, 2020, to a new date in approximately four weeks. The reason for the requested adjournment is because the Probation Department recently issued a revised Pre-Sentence Investigation Report (“PSR”) for Mr. Bojkovic, and more time is needed to prepare our written sentencing submission taking into account the information contained in the revised PSR. The Government consents to the requested adjournment.

In addition, Mr. Bojkovic anticipates that he will request that the Court proceed with his sentencing remotely by videoconference or teleconference, and we will make that request in a written letter no later than September 22, 2020. The Government anticipates that it will respond with a request that the sentencing be held at a time when it can be conducted in person, and the Government will make that request in a written letter no later than September 25, 2020.

Thank you for your time and attention to this matter.

Respectfully submitted,
